

EDP League Performance Deposit

Performance Deposit is a one-time forfeit bond fee charged to each team upon entering our league. From this Performance Deposit, teams will be charged any outstanding fines, forfeits, referee fees or unplayed games at the end of the season. Teams must replenish the Performance Deposit to the full amount (\$300) before the team is permitted to register again for the league. Failure to do so will result in the forfeiture of the Performance Deposit.

Performance Deposits are NOT returned at the end of each season or seasonal year. The Performance Deposit carries forward each season until the team either graduates out, folds, or does not return to the league. The Performance Deposit will be returned only to teams who request the funds.

In order for your Performance Deposit to be returned, you will need to provide the Performance Deposit REQUEST FORM no later than 6 months after the conclusion of the last season your team played. For example, Spring season ends at the end of June. Team/club will have until the end of December of that same year to send notification requesting the Performance Deposit be returned. The team's history will be reviewed for any fines, forfeits, referee fees or unplayed games that may be outstanding that would reduce the amount of the Performance Deposit returned.

Teams may request their Performance Deposit returned to them or, upon signing the Performance Deposit donation letter, donate the Performance Deposit to the EDP Foundation.

If we don't receive direction via the Performance Deposit return form, unclaimed Performance Deposit will be donated to the EDP Foundation.
