**SELECTION
&
BRACKETING
PROCESS:**

Provide as much meaningful information about your team as possible, including recent records, participation in State Cup and Regional competition, league competitions, records in recent major tournaments, etc.

The requested information is usually as important for flighting and scheduling purposes as it is for acceptance, so do provide the information carefully.

If you have an existing GotSoccer Team Account, please apply from that account. Creating new accounts to apply to an event disables the ability to see results and scores of many previous events, again critical for flighting purposes.

**GENERAL
INFO:**

In the event of adverse weather, unplayable fields or other uncontrollable conditions, the Tournament Committee reserves the right to change the format of the competition as circumstances dictate, including shortening games, cancelling games, etc. The Tournament Committee's determination on any refunds or credits issued shall be final.

Under no circumstances will the Tournament be responsible for any travel, lodging, consequential or special expenses claimed by teams or participants.

EDP Soccer representatives use their best efforts to reply to all soccer-related inquiries and communications directed to them, preferably by email. When communications are more appropriately directed to a different body or point of contact, such as a Referee Assignor or soccer governing association, EDP Soccer will use its best efforts to re-direct the communication to the appropriate individual or organization. EDP Soccer representatives will provide very limited response in matters involving police reports or legal actions absent official process requiring extended disclosure; when receiving such inquiries and communications, EDP Soccer will normally forward these matters to legal counsel for proper disposition.

The tournament is an event generally open to the public. Photographs and videos of games and participants can and should be expected, and that those images will appear in various media, including social media, providing coverage of the event and promotion of future events. Teams and their participants acknowledge these possibilities when applying, and agree to the reasonable use of such images. For the EDP Photo/Video/Audio Policy see <https://www.edpsoccer.com/photovideopolicy>
