

EDP Leagues 3 Strike Policy

This policy applies to all USYS Conferences managed by EDP, EDP Leagues and Futures

STRIKE 1

Any team responsible for a scheduled game not being played on the agreed date and time will receive a strike. The actions below will result in a strike against the responsible team.

- Forfeiting a game
- Late cancellation (within 3 days of the scheduled date)
- No show at the game

STRIKE 2

Any team that has received their first strike, that is then responsible for another scheduled game not being played on the agreed date and time will receive their second strike.

The actions below will result in a strike against the responsible team.

- Forfeiting a game
- Late cancellation (within 3 days of the scheduled date)
- No show at the game

A second strike against a team is to be acknowledged as final warning before removal from the current league season (Spring or Fall).

STRIKE 3

Any team with two strikes that is then responsible for another scheduled game not being played on the agreed date and time will receive their third and final strike.

The actions below will result in a strike against the responsible team.

- Forfeiting a game
- Late cancellation (within 3 days of the scheduled date)
- No show at the game

As a result of a third strike, the team will be removed from their competing league for the remainder of the current league season (Spring or Fall). Any team that is removed from the league will forfeit all their games.

- When a team is removed for a three-strike violation, that team's bond will be revoked, and they will need to pay the bond for their team again the next season they register.
